Swim Lesson Pricing

1 SESSION PRIVATE (1:1 student/teacher ratio) which is 8 x 30 minute lessons - \$360.00

1 SESSION SEMI PRIVATE (2:1 student/teacher ratio) which is 8 x 30 minute lessons - \$225.00/child, total \$450

The minimum commitment is 1 SESSION per child.

Requirements per child to schedule:

1) A completed and signed registration form per child must be submitted to BSA PRIOR to scheduling any lessons.

2) Payment in full for each registered child submitted to BSA PRIOR to the first scheduled lesson which needs to include corresponding SESSION # and each child's name.

3) Make-ups: One make-up lesson PER SESSION of eight 30 minute lessons with 24-hour written advance notice-no exceptions, including illness. The make-up lessons are scheduled on a designated make up lesson day (please see Calendar tab for make up lesson dates) and may be with a different instructor when space is available. If one partner of a SEMI PRIVATE lesson will need to miss their lesson, then both parties will need to miss the lesson and the make-up for both will be re-scheduled on a designated make up lesson day if space is available. ONLY BSA reserves the right to schedule make ups on any day other than the designate make up lesson day due to the make up schedule being full or for any reason we feel is necessary.

4) We require you to inform BSA in writing prior to the last lesson of the current SESSION that you would like to renew for another SESSION as your lesson times will not automatically renew without a schedule provided by BSA and confirmation by you. Lack of a written request to renew could result in loss of your preferred current time slot. Payment will also need to be current on any completed SESSIONS in order to request renewal and in order for renewal to be granted. Lack of payment being current could result in the loss of preferred time slots.

Parent/guardian agrees to remain on the premise during the swim lesson. Any medical attention needed by the student will be the responsibility of the attending parent/guardian. Children and siblings will be supervised by a parent or guardian at all times when not in class. Children not participating in a swim class must be out of the pool while lessons are in progress.

STUDENT/PARENT CONDUCT EXPECTATIONS

- Students are not allowed to enter the pool before class, nor can a student stay in the pool after the instructor has dismissed the student. There is NO LIFEGUARD ON DUTY.
- It is the responsibility of the parent or guardian to notify the instructor of any relevant and pertinent medical circumstances, learning disabilities, or water experiences BEFORE the first class begins.
- In the unfortunate instance of a student defecating in the pool it is critical that the staff be notified immediately. After the first occurrence, the student (regardless of age) is required to wear both a disposable swim diaper and plastic/vinyl cover under their swimwear. Multiple incidents will result in suspension from Bridgewater Swim Academy. A mandatory temporary pool closure (anywhere from 1 hour up to 24 hours, depending on the circumstance) will be required by the Center for Disease Control guidelines.
- Parents/guardians should encourage their children to use the restroom before class and the parent/guardian will need to be available to take the child during class in the event that this becomes necessary.
- Parents/guardians may observe the class, but it will be at the discretion of an instructor to recommend that a parent/guardian leave their child's sight in order to limit distractions, and help to build the child's trust with their instructor.
- Bridgewater Swim Academy strives to keep a safe, family-friendly environment. In the circumstance that management feels a person is endangering others, demonstrating inappropriate behavior, abusing the facility, or becoming aggressive toward a staff member or another customer, that person will be asked to leave the facility and their registration will be terminated.
- BSA respectfully requests that any concerns, questions, comments that need to be addressed with an instructor do so prior or at the end of a lesson and if possible, request with the business office an opportunity to schedule some time with the instructor to address any such issues and or concerns. We will do our best to facilitate a meeting in a timely manner.
